Another Great Summer Conclave!

Jacksonville hosted this year's Annual Summer Conclave, with increased attendance and lots of fun, competition and learning.

At this year's Conclave, where "flexibility" was the key to its success, we learned a lot of new things. We learned the vision our new Executive Officer, we learned that we need to get more young men to attend conclave, but we also learned that our members know how to start getting things done.

During the delegate sessions, we saw that our membership has a vested interest not only in what happens at their Chapters, but in their State. They by passed more legislation than in about 8 years. And while this was all going on, we had young men competing in ritual and sports and absolutely enjoying themselves the whole time.

We look forward to seeing our Conclaves grow, and to see what it is all of you, my brothers, will bring to plate in the coming year. See you at Mini Conclave in January!

Bro. McLean Haughey
State Master Councilor
